

CommVault CEO to Address Investors at the 2007 Merrill Lynch Internet, Software and Services Conference

February 7, 2007

OCEANPORT, N.J., Feb 07, 2007 /PRNewswire-FirstCall via COMTEX News Network/ -- CommVault(R) (Nasdaq: CVLT), a leading provider of Unified Data Management(R) solutions, today announced that CEO Bob Hammer will address investors at the 2007 Merrill Lynch Internet, Software and Services Conference in New York City on Wednesday, February 14, 2007 at 11:05 a.m. Eastern Time.

Mr. Hammer will discuss the company's strategy, as well as topics related to the software industry. In addition to fielding questions from Merrill Lynch's software analyst, Mr. Hammer will also take questions from the audience. The presentation and subsequent Q&A session will be webcast live, and will be available for replay on CommVault's Web site at <http://www.commvault.com>, hosted under "Webcasts and Presentations" located in the "Investor Relations" section.

About CommVault

CommVault(R) provides Unified Data Management(R) solutions for high-performance data protection, universal availability and simplified management of data on complex storage networks. The CommVault(R) QiNetix(TM) platform, based on CommVault's Common Technology Engine, integrates Galaxy backup and recovery, snapshot management and recovery, remote replication, active data migration and archiving, e-mail compliance, enterprise service level management and reporting and storage resource management software solutions. The QiNetix unified approach is designed to allow customers to add/integrate QiNetix components, at a fraction of the time, effort and money required by separate point products.

Information about CommVault is available at <http://www.commvault.com> or by calling 732.870.4000. CommVault's corporate headquarters is located in Oceanport, New Jersey in the United States. (cvlt-f)

Safe Harbor Statement

This press release may contain forward-looking statements, including statements regarding financial projections, which are subject to risks and uncertainties, such as competitive factors, difficulties and delays inherent in the development, manufacturing, marketing and sale of software products and related services, general economic conditions and others. Statements regarding CommVault's beliefs, plans, expectations or intentions regarding the future are forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. All such forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from anticipated results. CommVault does not undertake to update its forward-looking statements.
