

## CommVault Attending IDC-Kahn Consulting Compliance in Information Management Forum

September 15, 2008

-- CommVault to Provide Table Top Exhibit on eDiscovery; Collaborate with Industry-Leading Organizations --

OCEANPORT, N.J.--(BUSINESS WIRE)--Sept. 15, 2008--CommVault (NASDAQ:CVLT):

- CommVault will attend this year's IDC-Kahn Consulting Compliance in Information Management Forum as a silver sponsor and will host a tabletop exhibit discussing the benefits of the CommVault(R) Simpana(R) 7.0 Software suite and best practices when implementing data management and archiving solutions.
- This forum aims to assist professionals in understanding legal, data and messaging responsibilities. CommVault will join industry-leading organizations to provide valuable information and assist enterprises in implementing effective information management tactics.
- As an exhibitor, CommVault will offer attendees valuable information about the convergence between eDiscovery and information management; legal and regulatory developments; records and information management best practices; and, how users can incorporate governance, risk and compliance methods into the process of managing information assets.
- CommVault's participation in this event demonstrates the company's commitment to furthering the discussion around eDiscovery. Most recently, CommVault announced its membership in the Electronic Discovery Reference Model (EDRM) and The Sedona Conference(R) RFP+ Vendor Panel.
- The CommVault Simpana 7.0 Software suite helps enterprises identify, classify and preserve data. CommVault's data indexing capabilities and patented search engine provide instant electronic discovery supporting FRCP compliance, competitive advantage and business acceleration.
