

CommVault to Ring NASDAQ Stock Market Opening Bell on January 9

January 4, 2012

CommVault to Host Leading Global Companies to Address State of the Storage Industry

OCEANPORT, N.J., Jan. 4, 2012 /PRNewswire via COMTEX/ --[CommVault](#) (NASDAQ: CVLT)

News Facts

- **What:** N. Robert Hammer, CommVault's chairman, president and CEO will ring the NASDAQ Stock Market Opening Bell on January 9, 2012. Following the ceremony, CommVault will host an invitation-only event bringing together global IT leaders from various industries to hear from technology experts and network with their peers. During the one-day event, CommVault and industry visionaries will discuss how organizations can better position their IT capabilities to manage the explosion of enterprise data, minimize the cost and operational impacts of new technologies on the data center and deliver real value back to the business through information management and accessibility. This modern data and information management approach is the essence of CommVault's award-winning Simpana® software, which empowers companies to stop simply backing up data and start solving data and information management challenges more strategically and holistically.
- **Who:** Attendees will hear from Gartner analyst, Dave Russell, who will present on the state of the data management market. Additionally, John Amato, publisher of *Computerworld* magazine, will lead a CommVault customer panel discussion with IT executives from Adobe, BT, Levi Strauss & Co. and Raymond James. The panel will address how organizations are preparing for and managing the explosion of enterprise data. A list of speakers and bios can be [found here](#).
- **Where:** NASDAQ MarketSite, 4 Times Square, 43rd & Broadway, New York City
- **When:** Monday, January 9, 2012, 9:15 a.m. - 2:30 p.m. EST
