

CommVault Drives Discussion on Further Streamlining the eDiscovery Process to Reduce Cost and Mitigate Risk

January 25, 2012

NEW YORK, Jan. 25, 2012 /PRNewswire via COMTEX/ --[CommVault](#) (NASDAQ: CVLT) - The continuous growth of electronically stored information, combined with the need to rapidly and accurately respond to discovery and investigation requirements, dictate a more strategic approach to eDiscovery in order to control cost and reduce overall risk and exposure. Next week, CommVault will be leading several sessions with legal experts to provide best practices and insight on how to effectively manage information and quickly gain visibility and control over the [eDiscovery](#) process.
