#### Supporting Quotes:

- **Ralph Nimergood, Vice President, Worldwide Partner & Programs, CommVault**

"CommVault's partners are foundational to our global business growth objectives and the success of our joint customers. Today's enterprises are faced with many unique challenges in trying to manage data and information lifecycle challenges resulting from the explosion of mobility, cloud and big data initiatives. The PartnerAdvantage award winners clearly demonstrate their unwavering commitment to helping customers solve these modern data management challenges; our commitment to enhancing the total partner experience and ensuring their success has never been stronger."
- **Louis Gervais, Regional Director, Virtual Infrastructure Solutions, Compugen Inc.**

"We are honored by our second consecutive Global Support Partner of the Year recognition from CommVault. From day one, our relationship with CommVault has been based on mutual commitment, and Compugen is fully invested in delivering world-class service to CommVault and its customers. Notably, as Hurricane Sandy approached the eastern U.S. seaboard and CommVault's headquarters, the Compugen support team was enlisted to help keep CommVault's global customer support operations up and running. Working with CommVault's global support organization, Compugen was a key contributor in providing ongoing exceptional support to our thousands of customers. We are proud of the level of support we provide and the quality of the relationship that we have developed with CommVault. We owe this success to everyone at Compugen who has been involved in this partnership from its inception."
